1. Specifications of Zebra Certified Refurbished Devices may differ from new devices. All SKU or product models may not be available for Zebra Certified Refurbished Program and Zebra Certified Refurbished Device Rental Program. Check with your Zebra Sales Representative.

2. MC55E0 devices have been removed from the program and are End of Service Life (EOSL).

3. Rental is not available in LATAM region. Additional trade compliance certifications may be required for importer of refurb devices in these countries.
