

# Workcloud Sync To-Dos

Empower your workforce with Workcloud Sync To-Dos, which streamlines managing work by prioritizing to-dos and distributing them to the proper employee. Ensure that your frontline employees know what needs to be accomplished at any time, improving their productivity and driving a better experience for your customers.

## Simplify Execution for Your Frontline

Workcloud Sync To-Dos simplifies execution and ensures that employees are productive and engaged.

Ensure the most important to-dos are completed by designating priority levels for each to-do sent to employees.

Improve on-time to-do execution rates by intelligently distributing to-dos to each employee's list of activities.

Increase accountability by alerting managers when to-dos are overdue and when to-dos are completed.

## Improve Employee Productivity and Efficiency

With Workcloud Sync To-Dos, ensure that your employees always know what they need to do and when they need to do it.

### Monitor Important Activities

Designate to-dos as followed or watched in order to ensure visibility into the most important activities.

### Leverage Templates

Simplify creating routine to-dos with out-of-the-box templates for to-dos and checklists.

### Create Checklists

Streamline everyday activities such as store openings and closing with groups of to-dos that can be checked off when complete.

### Utilize A Robust Interface

Easily communicate about to-dos by leaving comments and attaching images, videos, files, and more.
