

ZIPZEBRA SOLUTIONS

Navigate the catalogue

To search an item, simply select from the Dropdown Menu, Carousel or Predictive Search Bar.

The screenshot shows the top navigation bar of the Zebra website. It includes the Zebra logo, the text 'ZipZebra Solutions', a search bar with the placeholder 'Enter keyword, Product name or Part Number', and user account icons for 'Hi EMEA' and 'Cart'. Below the search bar is a 'Predictive Search' section. A dropdown menu is visible with options: Ribbons, Wristbands, Receipt Paper, Tags, and Labels. Below this is a 'Highlights Carousel' featuring a Zebra printer with the text 'Zebra ribbons guarantee premium print quality and performance consistency.' and a 'SHOP RIBBONS >' button.

1 Predictive search – Enter Part Numbers, Keywords or Product Names in the predictive search bar to display a range of suggested products related to your search. From here you can also **Add to Cart**.

This screenshot shows the predictive search results on the Zebra website. The search bar contains the number '1000'. Below the search bar, a list of 'Direct SKU' products is displayed, each with an 'ADD TO CART >' button. The products listed are: 10006995-RK, 10006995-7K, 10006995-1K, 10006995-6K, and 10006995-5K. The background shows the same highlights carousel as in the previous screenshot.

2 Highlights Carousels - From the Carousel you can navigate directly to Shop Labels, Shop Wristband or Shop Ribbons. Click on the lines below the promotional carousel to view features products. The blue line represents the feature you are currently viewing, the grey lines represent the other available featured products.

The screenshot shows a highlights carousel for Zebra high-performing labels. The background image shows a person wearing purple gloves holding a Zebra printer. The text reads 'Zebra high-performing labels assure durable printing and minimal wear and tear.' Below the text is a 'SHOP LABELS >' button, which is highlighted with a blue border.

3 Dropdown Menu - Select a category from the drop-down menu to find and display a range of products related to your selection.

Product list page - Filters

Product Listing Page displays multiple products related to your search or menu selection

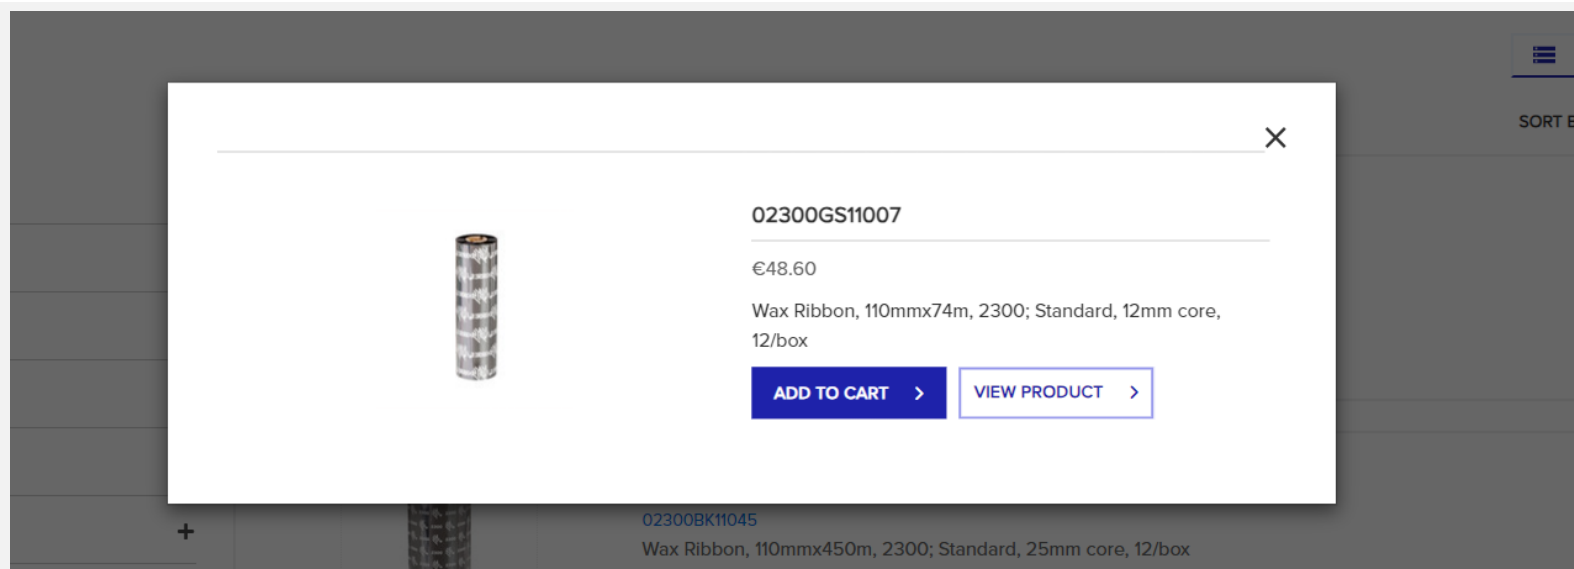

Filters are featured throughout Zip Zebra site. User selections provide detailed results based on Category, Model, Material, Printer type and many other attributes related to the product being filtered. Below is an example of the filter available on the portal, however varying filters display depending on the product being viewed.

1 From a **Product Listing Page**, select **attributes** from the **Filters Panel** listed on the left to display filtered results:

2 Quick View option appears when you hover your mouse pointer over a product picture (Zebra head).

3

By selecting **Quick View** a pop-up window opens with the basic product information such as a part number, price and product description. You have an option either to **Add to Cart** or **View Product** – you will be directed to the SKU Product Detail Page.

Product Detail Page

Product Detail Page displays detailed information related to a specific SKU that is displayed. It also includes the selling price, Unit of Measure, Number of rolls in a box/case (if applicable), dimensions etc. You can also select from here either **Add to Cart** or **Add to Wish List**.

Wax Ribbon, 110mmx74m, 2300; Standard, 12mm core, 12/box

- The 2300 ribbon is a standard wax ribbon offering good durability and high-quality rotated barcodes.
- Suitable for printing on uncoated and coated paper labels and tags
- Ability to print up to speeds of 304mm/sec (12ips) and 152mm/sec (6ips) for rotated barcodes
- Recommended for use in general purpose labeling, shipping and receiving, inventory tracking, warehousing
- Wax ribbons work best with paper materials when fast print speeds are required, and in applications with li
