

GOING BEYOND TRANSACTIONS

Tapping Tech to Elevate the Shopper Experience

At Kohl's, you're a step ahead. You've already deployed Zebra mobile devices for returns and inventory checks. But your devices can do so much more — helping associates communicate and collaborate, locate items, check shoppers out throughout the store, and more. Outfit your associates with the latest technology and watch productivity rise and customer satisfaction reach new heights.

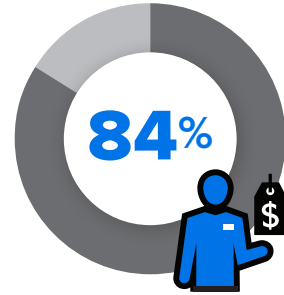

RISING EXPECTATIONS

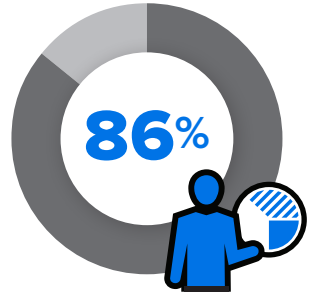

Shoppers, associates and decision-makers expect enhanced services that require the latest technology¹

ELEVATING THE SHOPPER EXPERIENCE

Say they have a better experience when associates use the latest technology to assist shoppers²

ENHANCING PRODUCTIVITY

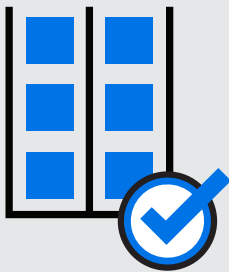

Add Critical Messaging Features

Add robust Workforce Connect push-to-talk services to your Zebra devices and ensure associates are always connected, wherever they are.

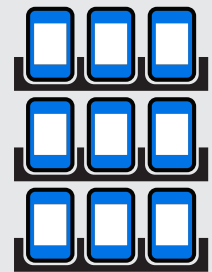

Put Your Data to Work

Employ Zebra Prescriptive Analytics (ZPA) to translate your data into prioritized actions that can help you protect profits, increase compliance, reduce waste and improve efficiencies.

Make Counting Simpler and More Flexible

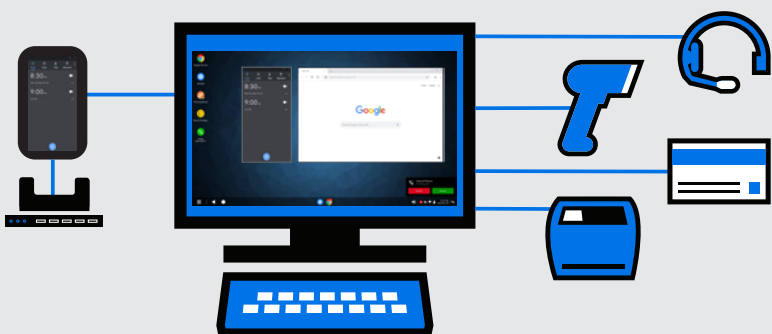

Ensure you have the right products in the right stores at the right time with Zebra SmartCount. Get real-time inventory visibility, accurate counts and complete oversight while realizing savings of up to 50%.

Manage and Control Mobile Devices

Keep mobile computers safe with the Zebra Access Management System (ZAMS) mobile application. Lock and unlock devices, get battery status and see what devices are in use, charging or missing – all while devices are in an Intelligent Cabinet.

INCREASING FUNCTIONALITY

Turn Mobile Computers into Mobile-Driven Workstations On Demand

Leverage Zebra's enterprise mobile devices and Workstation Connect to give associates more functionality to heighten service quality and guest experience. Associates can switch between the mobile device and mobile-driven workstation on the fly, choosing the right mode for the moment.

Give your associates the tools they need to provide an omnichannel experience. With retail solutions from Zebra.
