# DISMANTLING AND TREATMENT INFORMATION

## UWB Potted Tag
## UWT-1300-N-xxxx

Conforms to **Waste electrical and electronic equipment (WEEE) 2002/96/EC**
Category 3 product according Annex IA

Date: 3 March 2015

**Product identification and selective treatment information**

25.5 mm Width x 10.4 mm Height x 31.5 mm Long

**Product Description:**
UWB Potted Tags are UWB transmit and FCC compliant devices that communicate with the Dart Real Time Location System. Each tag has a unique ID that can be associated with a specific asset. The Tag transmissions are extremely short in duration, providing excellent real-time location accuracy and permitting thousands of tags to be simultaneously detected. The short durations are also fundamental to offering exceptionally long battery life.

# Dismantling Instructions

A) These tags are a Potted Tag and disassembly cannot be accomplished. There is no recommended way to disassemble this product.
