

ZEBRA

Z-Band® 4000 Wristbands

FEATURES

- Thermal transfer, white, gloss polyester wristband with a permanent acrylic adhesive
- · Offers excellent print quality
- Latex-free, waterproof, and resistant to smear, abrasion, alcohol, mild cleaners and more
- Color-coated options
- Standard offering is white (05172RM)
- Are considered to be MR-Safe. Z-Band wristbands are made of polypropylene and vinyl. The direct thermal imaging chemistry is composed primarily of leuco dies and developers. The inks / varnishes used are UV varnishes and water-based inks. There is no metal content in or on these particular patient identification bands. Therefore, Z-Band wristbands are considered to be MR-Safe.
