late penalty is applicable. (d) Amounts due to the State shall bear interest at the rate of interest established by the South Carolina Comptroller General pursuant to Section 11-35-45 ("an amount not to exceed fifteen percent each year"), as amended, unless otherwise required by Section 29-6-30. No Using Governmental Unit shall be responsible for any other Using Governmental Unit's act or failure to act.

In order to maintain and enhance the quality and quantity of its State term contracts, each participating public procurement unit will be assessed an administrative fee. Accordingly, a public procurement unit (as defined in S.C. Code Ann. § 11-35-4610(5)), by participating in this contract, owes (PS) an administrative services fee ("fee"). Participating public procurement units shall pay the fee to contractor as a part of the contract price. Contractor is responsible both for collecting the fee at the time

of billing and for remitting the fee to PS. The fee to be collected by the contractor constitutes a debt by the contractor to PS. Contractor shall factor the fee into its contract pricing and shall not separately itemize or invoice for the fee.

For each reporting period, Contractor shall pay to PS a fee equal to one (1%) percent of the total dollar amount (excluding sales taxes and adjusted for credits or refunds) of catalog purchases made by any public procurement unit from Contractor pursuant to this contract.

(a) As used in this clause, the term "reporting period" means each full calendar quarter (Jan. -- Mar., Apr. -- Jun., Jul. -- Sep., and Oct. -- Dec.) and any remaining periods less than a full calendar quarter during the term of this contract. For each reporting period, contractor shall report to PS its total sales pursuant to this contract for the period and shall remit the fee to the PS Reports Manager. Payment for each reporting period is due no later than the last day of the month immediately following the end of the reporting period (Example: payment for the reporting period ending March 31 is due April 30). If the amount due for a reporting period is less than \$10.00, no payment is required. The procurement officer will provide contractor an information packet, including a detailed explanation of reporting and payment requirements, within fifteen (15) calendar days following contract award. You may contact the Reports Manager at:

Procurement Services Division
Attn: Reports Manager
1201 Main Street, Suite 600
Columbia, SC 29201
Phone: (803) 737-0600 (ask to speak to the Reports Manager)

(b) Contractor shall submit a usage report for each reporting period, even if no payment is due for the reporting period. The usage report shall include any information requested by PS to verify the amount due. At a minimum, each usage report shall reflect the following information for the applicable reporting period: contractor's name, contract number, contract description, reporting period/quarter, total dollar value of sales (excluding sales taxes and showing any adjustments for credits or refunds), total number of units (if practicable), and the number, date, and amount of contractor's check to PS. Unless otherwise specified by the reports manager, the usage report shall be submitted electronically according to instructions in the information packet. If the reports manager requires the contractor to provide a more detailed usage report, the reports manager will work directly with the contractor to determine the appropriate content and format of the report.

(c) PS or its authorized representatives shall be afforded access to contractor's records (including, without limitation, bank statements, deposits, checks; invoices; correspondence; ledgers; receipts; transmittals) in order to audit all transactions involving goods sold, work performed, or fees due pursuant to this contract, consistent with paragraph 33 of the Master Agreement. PS agrees not to disclose any material discovered or produced during the audit that the contractor reasonably designates as proprietary or confidential. If the audit indicates that contractor has materially underpaid PS, then contractor shall remit the balance found to be due (including any amounts assessed pursuant to subparagraph (d)) and reimburse PS for all costs of the audit.

(d) Payments of the fee which are due and unpaid by the contractor (including amounts disclosed by audit) shall bear simple interest from the date due until paid unless paid within 30 calendar days of becoming due. The interest rate shall be the highest prime rate (as published in The Wall Street Journal) plus 2% per annum (unless a higher rate is provided by law, but in no event be greater than the maximum interest rate permitted by law), shall be variable, and shall be adjusted effective at the close of business on the day of any change in the prime rate. In addition to the fee and interest, contractor agrees to pay to PS its reasonable expenses of collection, including costs and attorneys' fees (and fees for inside counsel), whether or not PS commences legal action.

(e) If the contractor fails to (i) timely submit accurate usage reports; (ii) remit to PS the fee when due; or (iii) promptly and fully cooperate with an audit request, the State may, without prejudice to any other remedy available to the State, take any one or more of the following actions:

(1) order the contractor to not accept any further orders under the contract until the cause for such order has been eliminated;

(2) terminate this contract;

(3) order the contractor to not accept any further orders under any other statewide term contract;

(4) terminate the contractor's award of any other statewide term contract.

(f) For purposes of this clause, PS is intended as a third-party beneficiary of this contract.

Reports MUST reference the SC Participating number **4400033591** to assure accurate accounting of purchases under this contract and reported administrative fees. Each remittance will include the period covered and the contract number. (S.C. Code Ann. § 11-35-4860(5))

24. **Taxes:** Any tax the contractor may be required to collect or pay upon the sale, use or delivery of the products shall be paid by the State, and such sums shall be due and payable to the contractor upon acceptance. Any personal property taxes levied after delivery shall be paid by the State. It shall be solely the State's obligation, after payment to contractor, to challenge the applicability of any tax by negotiation with, or action against, the taxing authority. Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor. (S.C. Code Ann. Title 12, Chapter 36)

Contractor shall be given timely written notice of any suit or claim. Contractor's obligations hereunder are in no way limited by any protection afforded under workers' compensation acts, disability benefits acts, or other employee benefit acts. This clause shall not negate, abridge, or reduce any other rights or obligations of indemnity which would otherwise exist. The obligations of this paragraph shall survive termination, cancelation, or expiration of the parties' agreement. This provision shall be construed fairly and reasonably, neither strongly for nor against either party, and without regard to any clause regarding insurance. As used in this clause, "Indemnitees" means the State of South Carolina, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees.

36. Indemnification- Intellectual Property: (a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no nonmonetary obligation upon State. State shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against State's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for State the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by State. If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefor, and take all steps necessary to have State released from any further liability. (c) Contractors obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor's compliance with specifications furnished by the State unless Contractor knew its compliance with the State's specifications would infringe an IP right, or (ii) that the claim is caused by Contractor's compliance with specifications furnished by the State if the State knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work. (e) Contractor's obligations under this clause shall survive the termination, cancellation, rejection, or expiration of this Agreement.

I certify as follows: (1) every item acquired with the Purchase Order is priced at least ten percent less than the Term Contract price for the same item; (2) the Term Contract Contractor identified above declined to meet the prices stated on the Purchase Order after being offered a reasonable opportunity to meet the price stated on the Purchase Order; and, (3) this purchase complies with Section 11-35-310(35), which is reprinted below.

Section 11-35-310(35) of the South Carolina Code of Laws reads as follows: ""Term contract" means contracts established by the chief procurement officer for specific supplies, services, or information technology for a specified time and for which it is mandatory that all governmental bodies procure their requirements during its term. As provided in the solicitation, if a public procurement unit is offered the same supplies, services, or information technology at a price that is at least ten percent less than the term contract price, it may purchase from the vendor offering the lower price after first offering the vendor holding the term contract the option to meet the lower price. The solicitation used to establish the term contract must specify contract terms applicable to a purchase from the vendor offering the lower price. If the vendor holding the term contract meets the lower price, then the governmental body shall purchase from the contract vendor. All decisions to purchase from the vendor offering the lower price must be documented by the procurement officer in sufficient detail to satisfy the requirements of an external audit. A term contract may be a multi term contract as provided in Section 11-35-2030."
